OHIO NORTHERN UNIVERSITY  
ADA, OHIO

February 22, 1937

OFFICE OF THE PRESIDENT

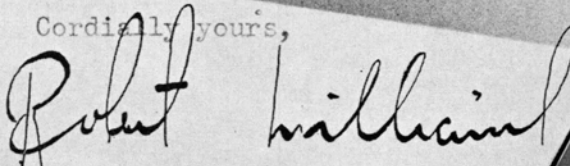

Dear Friends:

It is indeed a pleasure to greet once again the growing undergraduate body of Ohio Northern University and to share with you in the publication of what promises to be the best annual ever issued by the student body of this institution.

The University is facing hopefully an assured future. The dark days of the depression are rapidly fading behind us; the student body is once again increasing, and the outlook for next year is very bright. Ohio Northern is anticipating a constantly enlarging program and is always grateful for the interest and enthusiasm of its alumni, its friends, its faculty, and its student body.

With all good wishes for your own great success in life, I am

Cordially yours,

## COACHES

C. B. Schuchardt

Harris Lamb

Clyde Lamb

Spurred on by the able coaching of Harris Lamb, Charles Schuchardt, and Clyde Lamb, the Ohio Northern football team concluded with a record of four victories, two losses, and two ties for the 1936 season. Harris Lamb, head football coach, and Charles Schuchardt, newly appointed line coach, working with a team composed largely of juniors and seniors completed a successful season and placed Northern high up in the Ohio Conference standings.

Clyde Lamb, athletic director and freshman coach, attended Coe College, where he carved an enviable niche for himself in the track and basketball annals of that institution. Among other athletic honors, he was a member of the mile relay team that held the Mid-Western conference record for ten years.

Harris Lamb, head football tutor of the Polar Bears, graduated from Coe College in 1927, where he starred in football and basketball. He received Mid-Western All-Conference recognition in both sports. Both Clyde and Harris received their Masters Degrees at Columbia in 1929.

Charles Schuchardt was an outstanding lineman at Washington and Jefferson when that institution was noted for its top ranking football teams. He comes to Northern from Heidelberg where he was head line coach. "Schuie," by his pleasing personality, has established a popularity that is well founded.

## VARSITY FOOTBALL

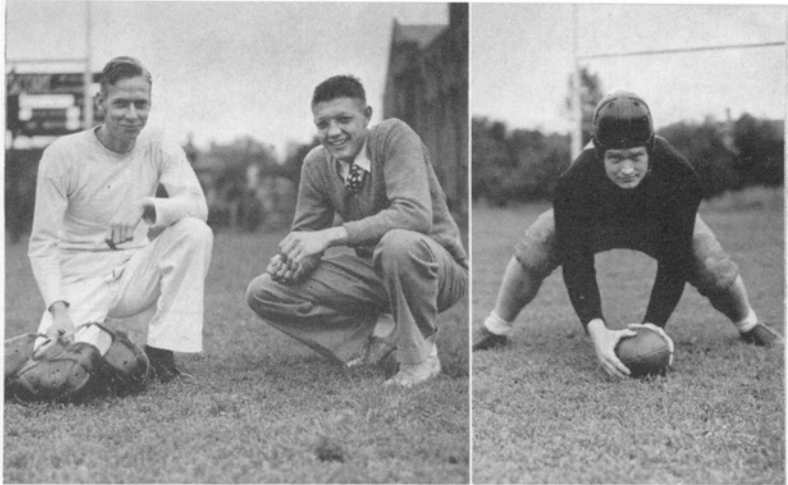

The Student Princes of Heidelberg bowed before a rejuvenated Northern grid squad to the tune of a 13-7 score. Northern's backfield stars, Brentlinger, Burrey, Bailey and Newdome dominated the play and led the Orange and Black aggregation to a decisive victory over the visitors. Heidelberg rallied in the second half, but Northern's superior strength stemmed the tide.

Muskingum defeated the local gridders before their Homecoming crowd of 5,000. After scoring early in the first period, the Polar Bears fumbled away an opportunity to tie the score and were humbled 14-7. Nemec, stellar center, punted and passed Northern to their sole tally, a long pass to Harmon netting the touchdown. Inability to cope with the Muskies strong passing attack in the third quarter and a fumble on the opponents' two yard line contributed to Northern's second defeat of the year.

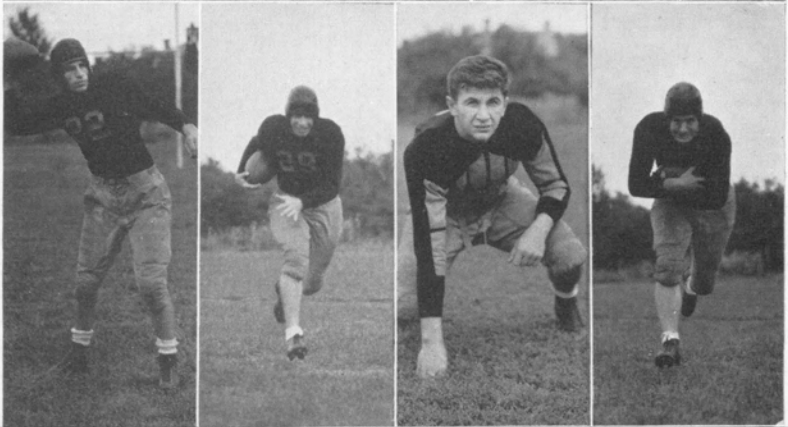

Behind Nemec's sensational passing and punting, Newdome's end sweeps, Kane's broken field running, and Mallone's plunging, the Orange and Black swamped Capital 13-0. Newdome and Mallone accounted for both touchdowns with Kayo converting for the extra point. Three times Nemec staved off Capital's offensive drives by punting deep into their territory. Murphy distinguished himself as a pass receiver accounting in no small part for many of Northern's gains.

In the last encounter of the season Northern was held to a 7-7 tie by Bowling Green. With Brentlinger, Kane, and Newdome scintillating in the backfield, the Polar Bears were on the offensive throughout the game. The football game ended with Northern in possession of the ball on the one yard line.

## VARSITY SQUAD

As the 1936 football campaign closed at Ohio Northern, it brought a glorious climax to the collegiate gridiron careers of thirteen stalwart football players. In three years of varsity competition they have received many honors and have given the University a well merited reputation among Ohio colleges. In the season of 1934, these men, as sophomores, had the honor of making Northern's team the only undefeated and unscored-on squad in the nation. This year, though dogged by injuries and sickness, they yet completed another successful season. These men are Blose, Brentlinger, Burrey, Bailey, Coniam, Ash, Faber, Gatto, Jackson, Owens, Parish, Mather, and Harmon.

"Bob" Blose, honorary captain of this year's squad, and known as one of the best blockers in the Ohio Conference, was undoubtedly the human dynamo behind the Bear football machine. Blose's deadly blocking made possible the brilliant runs of the other Northern backs.

"Jim" Brentlinger, speedy quarterback and crafty field general, directed the team for the third successive year and inspired the Orange and Black to great accomplishments. His slippery broken field jaunts and accurate passes were constant threats to Northern's opponents.

"Woody" Bailey, a fast and shifty plunging back, was a constant ground gainer; completed his last year of varsity competition and capably fulfilled the arduous duties of his halfback position.

## VARSITY SQUAD

George Burrey, the fourth member of the set of backs known to all Northern sport followers as the "Four B's", was the battering ram of the Northern offensive attack during the past three seasons. A consistent ground gainer, Burrey could always be depended upon to plunge over for that extra yard. Opposing teams will remember him as the power house of the Orange and Black offense.

Paul Coniam, the diminutive end and classy pass receiver, held down a flank position for three years. Though handicapped by his size, Paul, nevertheless, was the equal of any of his adversaries.

Leon "Handle Bar Hank" Parish, a ball of dynamite and a fine linesman. Parish was a hard and aggressive guard, fast and cunning in manner. His hard play and fight characterized his grid philosophy.

John Owens is another small but aggressive linesman. "Johnny" will long be remembered as the man who could diagnose opponents' plays effectively. He was an ever present thorn in the enemies' running attack spilling play after play.

Ramon "Jabo" Harmon was the outstanding pass receiver on the squad. After mid-season the powerful combination of Nemec to Harmon proved to be an important factor in producing Northern touchdowns.

## VARSITY SQUAD

The remaining seniors on the squad, Charles "Red" Ash, tackle; Elmer Faber, center; "Jim" Gatto, tackle; Charles "Chauncey" Mather, tackle; and Larry "Stonewall" Jackson, end, saw a great deal of service at their respective positions and were always available when they were needed.

In the ranks of the underclassmen several men were outstanding.

Louis "Nemo" Nemec garnered "All Ohio" honors for his brilliant work at center. A power of strength on both offense and defense, Nemec was easily the outstanding center in the Ohio Conference. Besides his line duties, Nemec was pressed into service as a punter and passer, and acquitted himself with distinction in these duties.

Alfred "Al" Robinson, although hampered by injuries in the latter part of the season, demonstrated again why he won "All Ohio" ratings in 1935. His spectacular end sweeps accounted in no small part for many of the Bear's long gains.

Casimer "Kayo" Newdome, was a splendid passer and was a heady quarterback. He has splendid prospects for the coming season.

Millard "Lefty" Murphy, a clever and adroit wingman, handled a regular end job in fast company. He was always reliable on both offense and defense, and did much to break up sweeps before they started.

Herb "Ham" Trattner, a sophomore lineman, came through in his first year of varsity competition. His fast, hard charging style of play characterize him.

Herbert "Mickey" McAdams, a rugged tackle, whose splendid defensive work contributed in making Northern's forward wall impenetrable.

Harry "Sugar" Kane, speedy safety man who capitalized on his ability to carry the ball from his halfback post, as well as returning punts in thrilling sprints.

William "Bill" Auger, whose vicious play at tackle and center, marked him as a splendid prospect in coming years.

To the men of the reserves goes much of the credit for the successful season. Their work at all times reflected the fight and willingness which are great factors in maintaining the morale of the squad.

Those in the backfield who lightened the burdens of the first team were Mallone, Howison, Siverling, Ehlen, and Schahet.

On the line Covault, Reich, and Banyas were reliable understudies at the guard positions, while, at ends, Smith, Salo and Kyler broke into the lineup at frequent intervals.

# FRESHMAN FOOTBALL

With Northern losing thirteen varsity football players through graduation, Coach Harris Lamb will have to rely to a large extent upon this year's freshman squad for replacements. The freshmen showed promise of being well qualified to fill the positions vacated by the graduating seniors.

Among the outstanding freshman players, we have Otis Ford, Coal Grove; James Nemec, Neff, brother to Northern's All-Ohio; Charles Redner, Montour Falls, N. Y.; George Conroy, Marion; Paul Finerer, Dayton; Harry Gossard, Ada; Ted Habret, Mt. Pleasant, Pa.; Gerald LaBarge, Potsdam, N. Y.; Robert Novak, Elyria; Harry Winters, Marion; Morton Strauss, Cleveland; and Carl King, Cleveland East.

Enthusiastic and willing, the freshmen cooperated with their coach, Clyde Lamb, in scrimmaging the varsity and preparing themselves for collegiate competition.

These varsity football prospects are scrappy and will keep regulars on their toes at all times. Their presence on the squad will be an important factor in the outcome of the 1937 football season.

# VARSIY BASKETBALL

Ohio Northern's basketball squad opened its 1936-37 campaign impressively by winning its first five contests, in which a total of 235 points were scored, against their opponents' 133. The victims of the Bear's early spurt were Giffin, Heidelberg, Bowling Green, Capital, and Ashland.

The first defeat of the season was suffered at the hands of the Bowling Green five, whose much improved play surprised the Orange and Black to the tune of 49-50. The next game found Northern back in the winning column by virtue of a 39-33 victory over Findlay.

With a mid-season slump jinxing the entire squad, the Bear courtmen dropped five out of their next six tilts. Defeats came from Muskingum, Capital, Wittenberg and twice from Bluffton; while the lone victory was at the expense of Heidelberg.

Coming back into winning form at the end of the season, the Lambmen downed Ashland and Findlay to finish their season with a record of nine games won and six lost.

## VARSITY BASKETBALL

Augmented by the return of eight men from last year's squad, and with the addition of four men from the freshman squad, Coach Harris Lamb's hardwood crew completed a successful season with nine victories.

This year's campaign marked the end of the collegiate cage careers of seven seniors. These men were Elmer Faber, Jim Brentlinger, Ramon Harmon, Bob Blose, Larry Jackson, Jack Guy, and Bob Schultz.

Captain Jim Brentlinger, completing his third year of varsity basketball, was selected for a guard post, on the second All-Ohio Conference team, by virtue of his accurate shooting and brilliant floor play.

The spark plug of the Polar Bears' offense was tall Elmer Faber. A constant threat under the basket, "Fabe's" height was the key to Northern's control of the tip-off in most of the games.

Another three year veteran was Ramon "Jabo" Harmon, who saw much action this year and whose fast moving floor work and shooting was an important factor in Northern's offense.

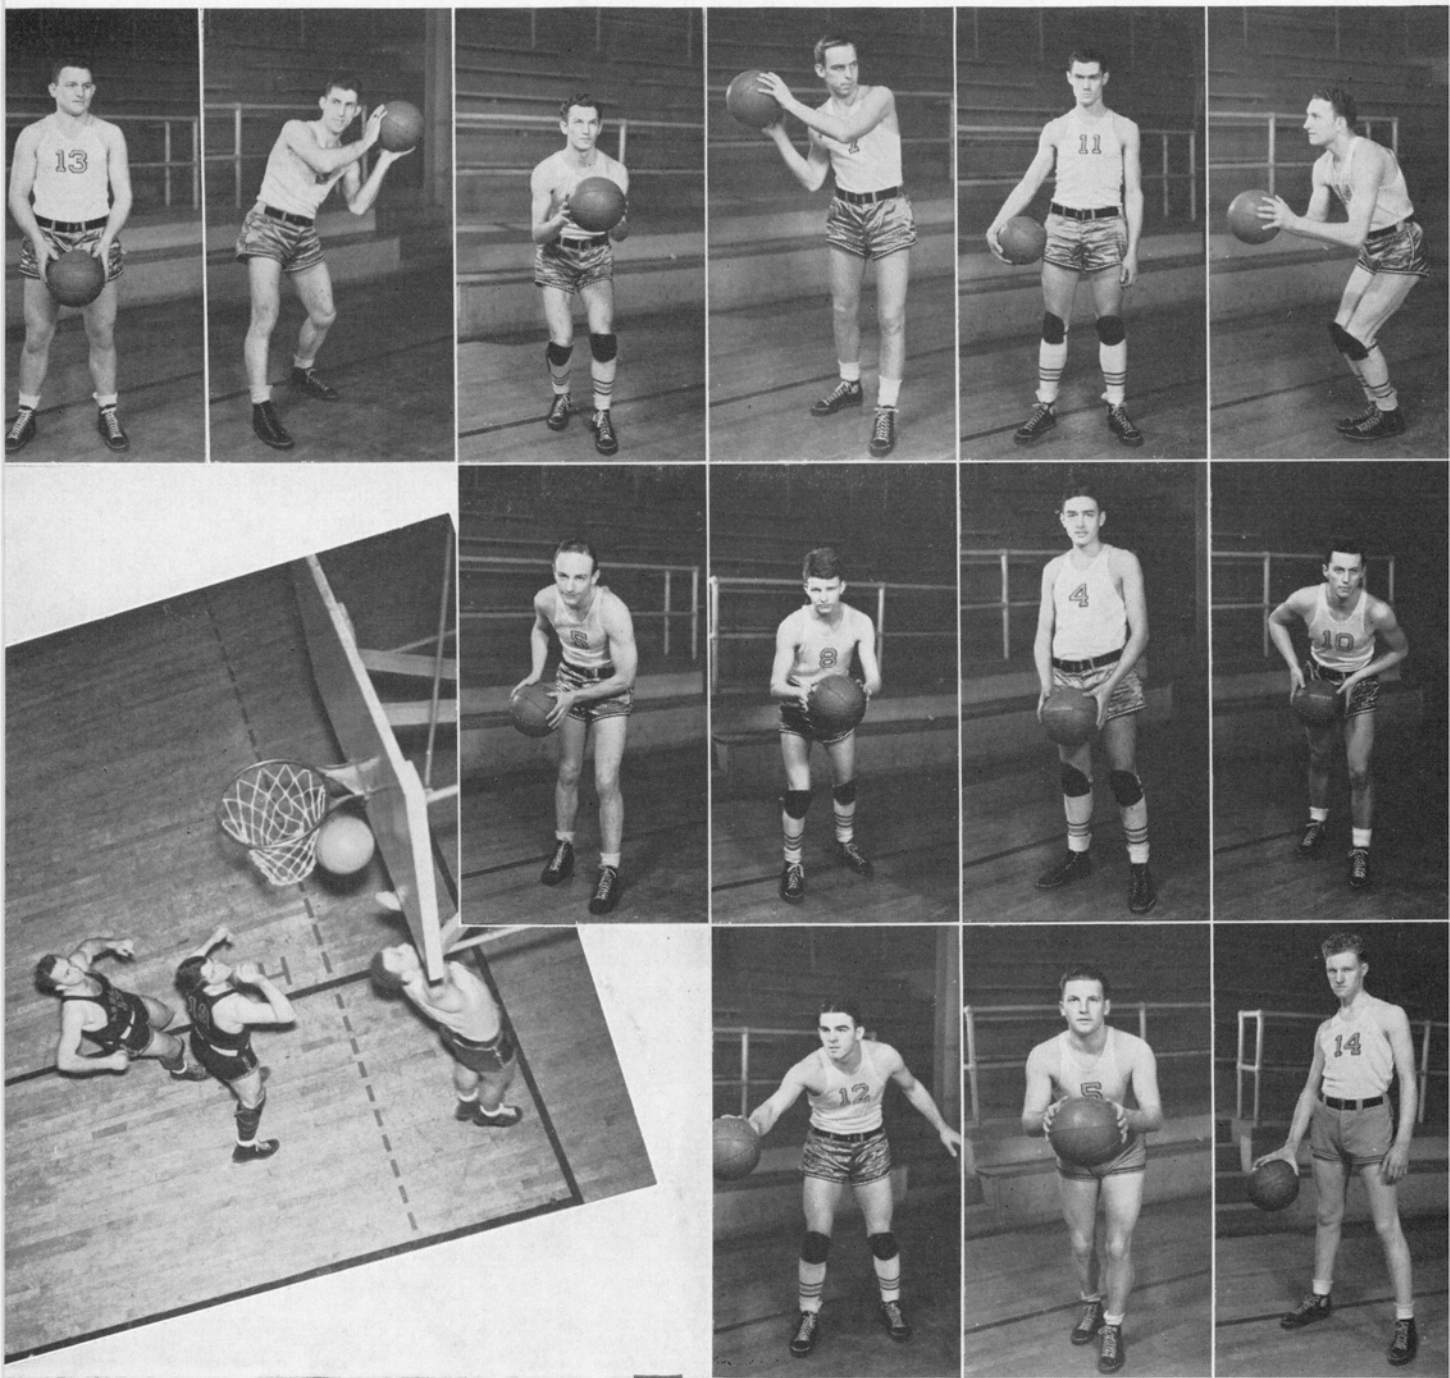

Jack "Scibo" Guy played a clean, fast game at guard and had to be closely guarded to offset his fast breaks down the sides of the court.

Another senior who played his game in the Orange and Black uniform, was Larry "Stonewall" Jackson. Larry's close guarding and excellent team play was a valuable asset to the Polar Bear five.

Climaxing his athletic career at Northern, Robert "Bob" Blose was one of the most popular men on the squad. Bob was always a fighter and the spirit he showed was a constant inspiration to the entire team.

Because of transferring to Northern from Wooster, in his junior year, Bob Schultz was somewhat handicapped. His smooth, fast style made him a valuable member of the Bear squad this year, however.

# FRESHMAN BASKETBALL

Front Row: Coach Schuchardt, Minard, Linsky, Winters, Benedict, Seeley.  
Back Row: Creasap, Gossard, Rogers, Epstein, Ruby.

Forty freshmen answered Coach Schuchardt's call for basketball this year, and after several weeks of practice, the squad was reduced to two teams of potential varsity caliber.

The men kept out for the remainder of the season were Harry Winters, Marion; Dwight Ruby, Marion; Donald Creasap, Marion; Stanley Epstein, Cleveland John Adams; Irving Linsky, Cleveland Glenville; Edward Chojnicki, Cleveland South; Carl King, Cleveland East; Zig Zima, Geneva; Robert Tipple, Ada; Harry Gossard, Ada; Dean Benedict, Jackson; Robert Minard, Marion; and George Conroy, Marion.

The freshman squad have demonstrated their ability to play varsity basketball and with the loss of seven seniors from this year's team, will be a welcome addition to next season's roster. The freshmen acquired much valuable experience throughout their season by scrimmaging the varsity and many of the high schools in this vicinity.

# VARSITY TRACK

With Clyde Lamb acting as head coach, track was again introduced as a varsity sport in the spring of 1936. Hard work and steady practice, especially on track events, were responsible for the winning of dual meets against Bluffton, Findlay, and Heidelberg. The shortage of men in the field events was, at times, a difficulty, but a formidable array of Bear runners more than offset this weakness.

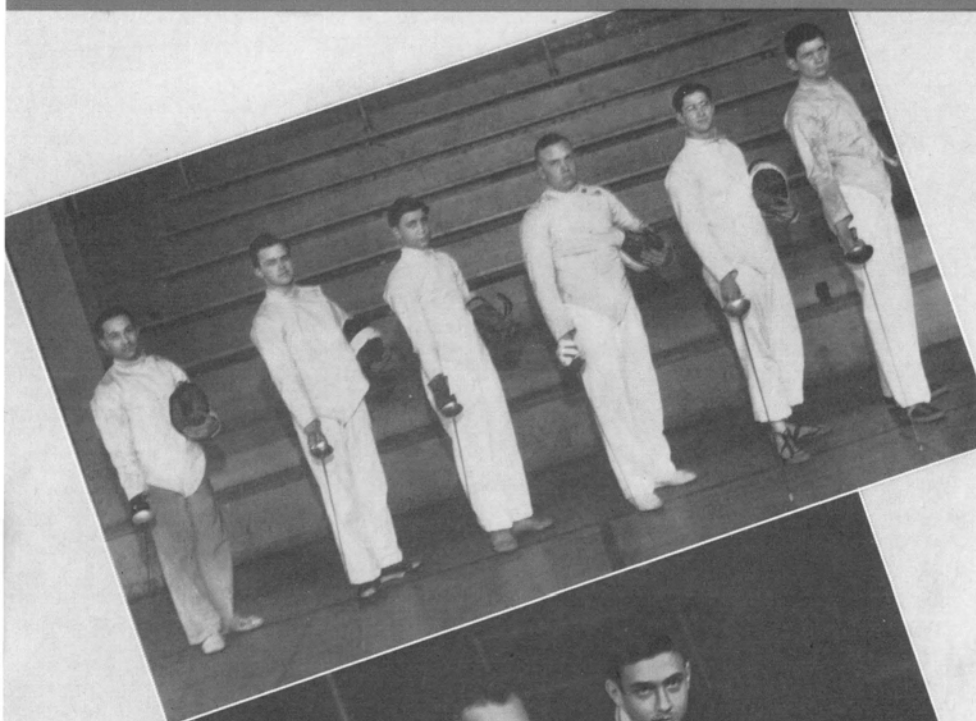

Luke Boyson, Jim Brentlinger, and Al Robinson were the consistent point-getters in the short dashes; while Casimir Newdome, Dwight Rogers, and Clare Stump competed in the middle distances. Charles Hely was Northern's miler.

The two field events in which the Orange and Black consistently placed were the pole vault and broad jump. In the former "Woody" Bailey could always be counted on for points; while Stump, Boyson, and Rogers came through in the pinches in the latter event.

In addition to the victories in the dual meets with Bluffton, Findlay, and Heidelberg, the Polar Bears garnered fourth place honors in the Northwest district meet at Bowling Green.

Aided by last year's experience and the return of the nucleus of last year's squad, Coach Lamb looks forward to a successful season this year.

# VARSIITY FENCING AND TENNIS

## VARSIITY FENCING

The Ohio Northern swordsmen participated in an unusually severe schedule this season.

Captained by Robert Miller, veteran foilsman, the Polar Bear fencers placed **fifth** in the Oberlin Collegiate Invitational Tournament. In an earlier match, the Scarlet and Gray team of Ohio State was too strong for the Northerners.

The roster of the team includes, besides Captain Miller, Wolfgang Huebner, Elmer Rebol, Phillip Farinella, and David Cress. Rebol, Farinella, and Cress are newcomers to the squad, but show great promise.

Under the able tutelage of Major Cliffe Deming, the fencing prospects in 1938 look very bright.

## VARSIITY TENNIS

Listed in the full schedule of 1936, Northern's **netmen** competed against the leading schools in the Ohio Conference. Among these were Bowling Green, Findlay, Capital, Wittenberg, Muskingum, and Mt. Union.

The squad consisted of Captain "Red" McConnell, first singles man; Jack Elzay, second singles man; Howard Novasel, third singles man; Dick Taylor and Howard Novasel, first doubles team; Glenn Zimmerman and Jack Elzay, second doubles team.

With three veterans back, Taylor, Novasel and Zimmerman, Northern will be seeking high honors in the Ohio Conference circuit.

# INTRAMURAL SPORTS

Aided by the fine cooperation of the athletic department and the capable management furnished by Leland Smull, intramural manager, Ohio Northern fraternities enjoyed a banner year in inter-fraternity competition.

Theta Kappa Phi, represented by Ed Conley and Vic Kubasak, captured the handball crown when they completed their season with the enviable record of eight straight wins. Runner-up position was taken by Alpha Epsilon Pi who dropped only one of their eight games.

Howard Novasel and Stan Epstein of Alpha Epsilon Pi won the ping pong doubles championship, this being the initial appearance of doubles in ping pong as an intramural contest.

In one of the most hotly contested basketball series in years, the Theta Nu Epsilon Cannoneers emerged victorious in the final play-offs after having finished the season in a deadlock with the Phi Mu Delta aggregation. Sigma Pi, Alpha Epsilon Pi, and Theta Kappa Phi finished in closer order on the heels of the runner-up, Phi Mu Delta.

Upon the conclusion of the basketball games, volleyball took the attention of the Greeks. Sigma Pi, with its experienced sextet, easily won top position with eight consecutive victories. Second place honors were divided between the Phi Mu Delta and Theta Nu Epsilon teams.

Thrilling action characterized the boxing and wrestling bouts, which closed the indoor intramural program. Nearly fifty men entered the ring in an attempt to win the championship of their respective weight divisions. When the smoke had cleared, Theta Kappa Phi annexed the boxing title by virtue of victories by Danny Gradier, Kayo Newdome, and Joe Mallone. The wrestling trophy went to Theta Nu Epsilon following the successful encounters of John Deal, Ramon Harmon, and Gordon Gustin.

Superiority in middle distance running and field events established the Sigma Phi Epsilon thinly-clads as champions in the track meet held annually by the fraternities. The performances of Charles and Jack Eakin and Bill Siveringling turned the trick for the Sig Eps.

## W. A. A.

One of the most active women's organizations on Ohio Northern's campus is the Women's Athletic Association to which all women matriculated in the university are eligible. It is the purpose of the association to create physical efficiency, athletic accomplishment, scholarship, and good sportsmanship.

Throughout the year numerous athletic tournaments are conducted, winners receiving awards. During the fall quarter the association entertains high school seniors of Ohio at a play day and sponsors an informal dance honoring the football men. The year's activities are climaxed with a large W. A. A. Revue in the spring and a physical education accomplishment demonstration.

## W. A. A. EXECUTIVE COUNCIL

Miss Alva Tolf, head of the Women's Athletic Department, is sponsor and adviser of W. A. A. and the Executive Council. A capable director, well liked by all the girls, Miss Tolf has made women's athletics fill a major place in the curriculum.

The Executive Council, composed of officers and heads of sports, is the governing board of W. A. A. This board conducts the general business of the association, regulates all disbursements of the club treasury, draws up rules governing contests, and awards honors.

Officers for the current year were: Adelaide Sawyer, president; Leona Kessler, vice-president; Rhea Gray, secretary; Margaret Sleesman, treasurer; Eleanor Winegardner, social chairman.

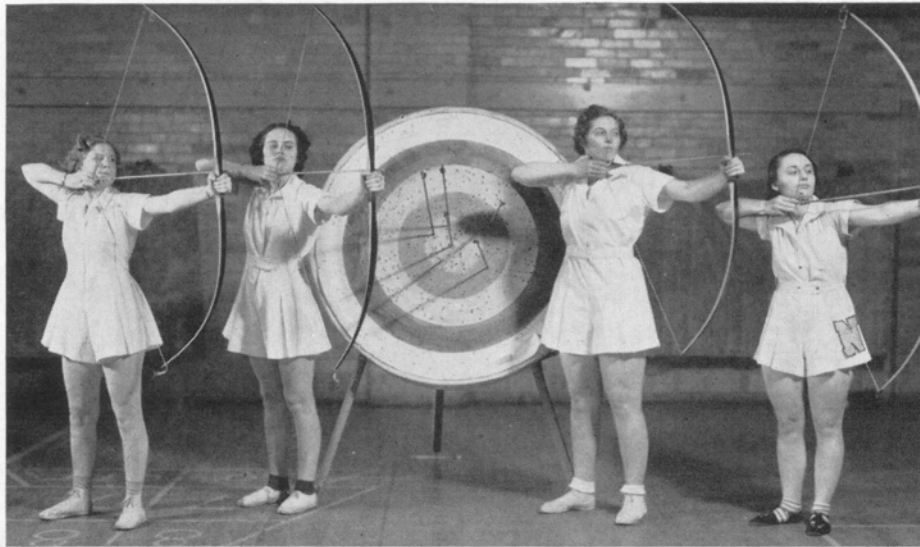

# ARCHERY

Archery has proved to be one of the best all-round sports and is very popular on Northern's campus. Cold weather is little deterrent to coed archers, and any day during the fall and spring quarters the range is crowded to capacity. An intercollegiate telegraphic meet took place during the spring quarter under the direction of Eleanor Baum, student manager of archery.

# FENCING

"On guard." These two words and the clash of foils are a good sign that the coeds are being taught the art of a very old but fine sport—fencing. Robert Miller, captain of the men fencers, has served as instructor for the past year.

## RHYTHMS

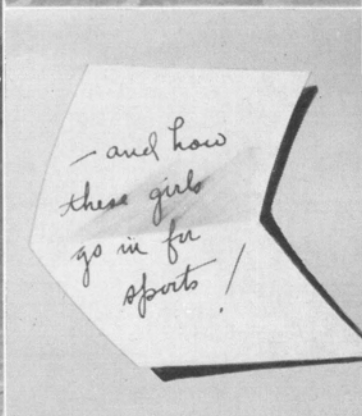

Dancing, an important part of our physical education programs, offers the students an opportunity for expression in movement and rhythm. Our course in rhythms is based on such fundamentals as walking, skipping, running, and leaping. Its purpose is to express through large, free, natural movements the ideas and emotions from within.

The dance, as interpreted by the students of rhythms, not only gives satisfaction to the dancers themselves in work well done, but an opportunity for the onlooker to enjoy and through their interpretations learn to appreciate the values of the dance as a great art, full of educational opportunities and rich in inspiration.

## FOLK DANCING

Folk dancing was added to our activities as a regular course for the first time this year. It gives the student an opportunity to learn, through movement, the race characteristics and dance interpretations of the various countries, including England, France, Germany, the Scandinavian countries, and our own American folk dances. Folk dancing has found a permanent place in the physical education program by the enthusiasm with which it has been received by participating students. There is even a possibility that there will be organized an All-College-Folk-Dance Night,

## TENNIS, HOCKEY, OPEN ROAD

In the fall and spring three sports fill a major place in the women's physical education department program. These are tennis, hockey, and open road.

Tennis, ever popular for both old and young, finds many followers. Classes of instruction are offered several times a week by competent teachers and seven courts are kept in condition. Although tournaments are not held in this sport keen competition and rivalry prevails.

Ever increasing in its popularity on all campuses, with Northern no exception, is field hockey. Two complete teams were organized this year under the direction of Adelaide Sawyer. Undaunted by cold weather the teams met outdoors until after Thanksgiving. At the close of the season both teams had the same number of wins and losses chalked up against them.

This year the open road again beckoned to Northern coeds. Once a week in the late afternoon a large group of girls met and hiked several miles into the country. Supper was cooked over campfires before returning to the campus. Points toward W. A. A. awards are offered on a mileage basis. This sport is open to anyone interested in this form of physical activity.

## INTRAMURALS

Intramurals are the main activity of the women's physical education department during the winter and spring quarters. Major intramurals sponsored by the Women's Athletic Association are volleyball, basketball, and archery. In the two former sports eight or more teams entered, representing various campus groups. Round robin tournaments are held once a week so that by the completion every team has met every other team entered. This year both contests were hard fought with narrow margins of wins. In volleyball Theta Phi Delta won first place while Crawford House emerged victorious in basketball.

Emphasis is placed on the major sports, but in the spring the minor sports come in for their share of importance. Contests such as ping pong, badminton, horseshoes, shuffle board, and jumping the rope are held. The contests this year were under the direction of Bette Moesta.

The purpose of the coed intramurals is to give to each coed physically able the opportunity to participate in wholesome sports for health and recreation. The intramural program is varied in order that the largest possible number of girls may participate in athletics. W. A. A. points are given for entrance in the contests with added points to the winners.

Through the facilities of the physical education department and by the intramural program it is hoped to arouse and interest in recreational activity, individual physical development, and to maintain friendships contacted through physical education work.

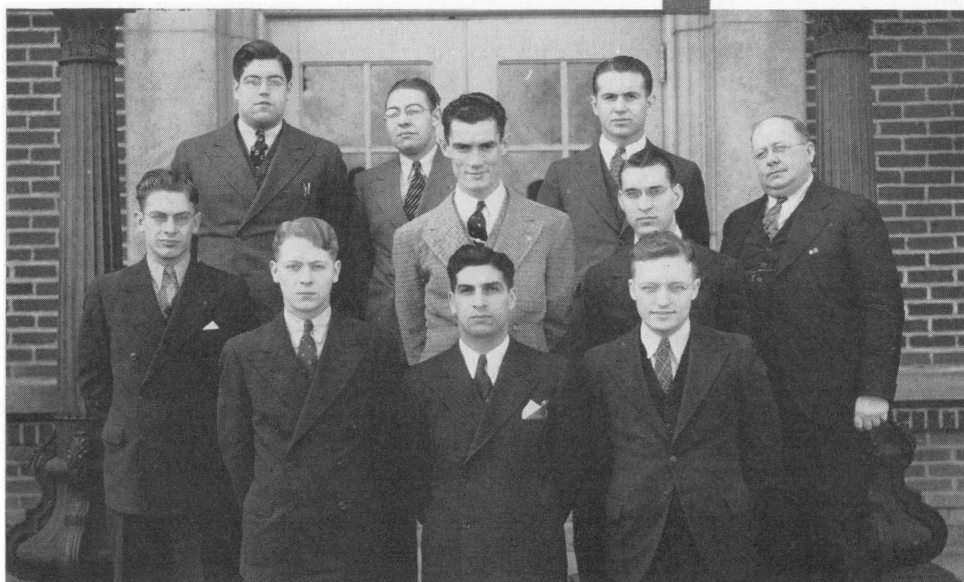

Good fellowship and friendly relations mark our fraternities and sororities here at Northern. Here we have attempted to give you the members, the officers and a cross section of fraternity life.

## INTER- FRATERNITY COUNCIL

Composed of one member from each of Northern's ten Greek letter organizations the Interfraternity Council meets to discuss problems of campus activities and fraternity relations.

Activities of this year have been the sponsoring of the annual football banquet in honor of the varsity players, the presentation to the university of a campus flag, and the awarding of the fraternity scholarship cup and plaque. The Council also sent a delegate to the meeting of the National Interfraternity Council.

Promoting friendly relations between the sororities and between sorority and non-sorority women is the aim of the Pan-Hellenic Council. It supports all university activities and especially aids in stimulating interest in sorority life and activities. High scholarship among the women of the university is also one of its interests.

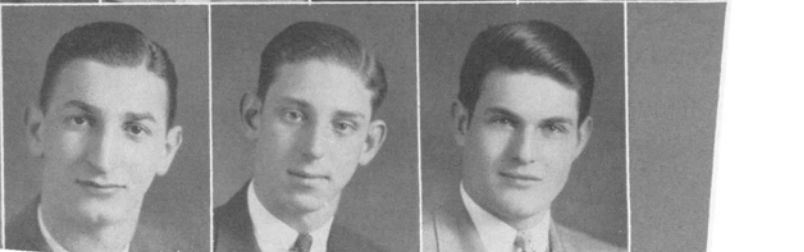

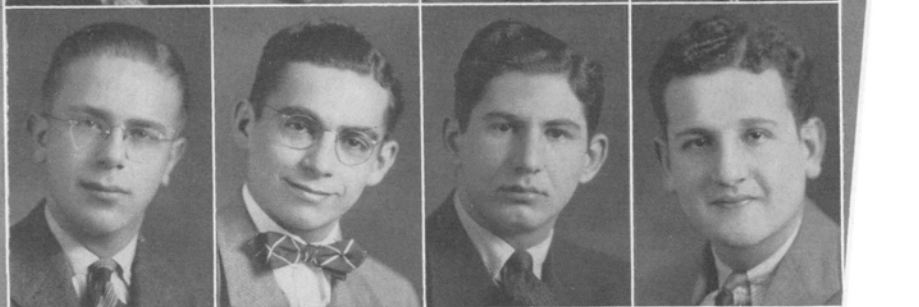

The council is composed of two members from each sorority with their adviser, the dean of women.

## NORTHERN PLAYERS

"The Nut Farm" starring Harry Jacobson and directed by William Ratcliff was the outstanding performance of the Northern Players this year. Given by a capable cast it was one of the best received plays Northern has given in several years.

Northern Players is organized in cooperation with Theta Alpha Phi, honorary dramatic fraternity, and is to foster dramatic productions and to discuss current trends of the stage.

Several parties have been held throughout the year and a reception was given in the fall for Ethel Barrymore Colt and the Jitney Players.

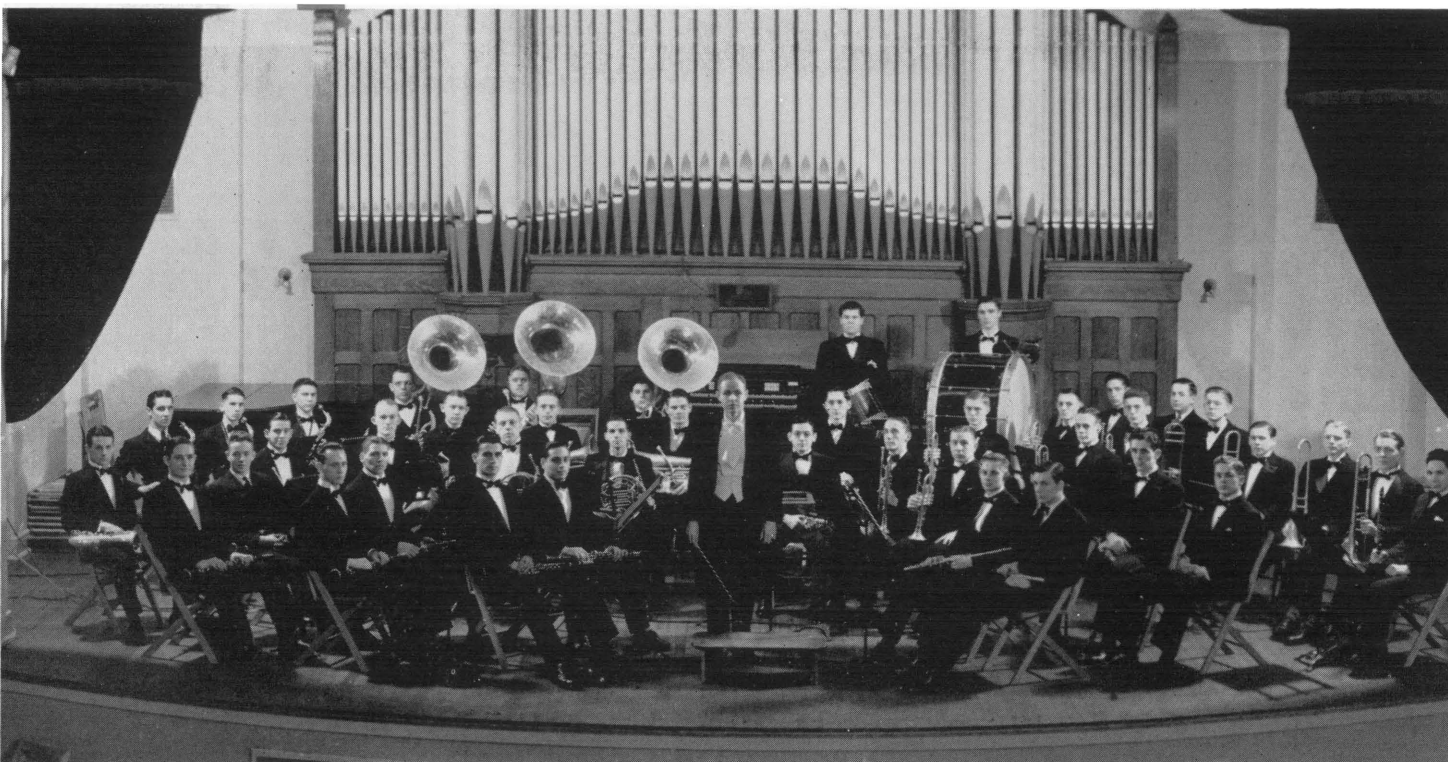

Officers of the club were: Louis Burris, president; Marie Roth, vice-president; Guinevere Lanning, secretary; Knowlton Pennell, treasurer; James A. Davis, freshman dramatic adviser; and Major Deming, faculty adviser.

## FRESHMAN PLAYERS

A new organization on the campus this year, the Freshman Players have made rapid progress. Outstanding in the events of their season was the presentation of three one-act plays directed by members of Northern Players. The plays given were "Bad Endin'," directed by Louis Burris; "Maker of Dreams," directed by Howard Kennedy, and "When the Sun Rises," directed by David Cress.

Officers of the club were: Geraldine Disbrow, president; John Underwood, vice-president; Leila Mae Baum, secretary; Phyllis Arthur, treasurer.

## BAND

A football contest on a crisp, sunny Saturday afternoon is never complete unless there is a band to add color and atmosphere to the occasion. The Northern band was present at all home games and also accompanied the team to Findlay.

Ohio Northern's band is composed of the finest musicians obtainable at the university, working under the direction of Professor William McBride, who came to Northern at the opening of the fall quarter this past year.

During the winter and spring quarters the band gave excellent concerts in Lehr Auditorium as well as presenting programs in many neighboring cities.

The aim of the band is to produce a fine marching band for all football games and to present the best type of concert music for the appreciation of the listener and for the benefit of its own membership.

## A CAPPELLA CHOIR

One of the outstanding musical developments this year at Ohio Northern is the **A** Cappella Choir under the direction of Professor Haydn Owens. This is **the** first **A** Cappella Choir that Northern has had in its history.

Haydn Owens, nationally known choral conductor and music teacher, assumed his duties at Ohio Northern with the opening of the fall quarter.

The outstanding event of the year was the ten day trip to Chicago. While in Chicago the choir broadcasted over **NBC** national hookup. The main event in Chicago was the concert at Kimball Hall, Chicago's leading recital hall.

The aim of the choir is to stimulate an interest in the highest standards of choral music, and to benefit its own membership by the study and presentation of the best type of music.

Various trips have been taken during the year including one to Cleveland to attend a conclave of the national organization. This group cooperated with the other engineering societies in arranging the activities of Engineers' Week.

This year the officers were: Ronald Upp, president; Charles Allegrone, vice-president; Glen Zimmerman, secretary; John Owens, treasurer. Professor Alexander R. Webb is the faculty adviser.

## THE A. S. M. E.

Open to all members of the department of mechanical engineering the Ohio Northern chapter of the American Society of Mechanical Engineers is one of the most active engineering groups on the campus. At the semi-monthly meetings papers on engineering activities prepared by the members are read and discussed.

# TOASTMASTERS CLUB

One of the newer organizations on the campus is the Toastmasters Club founded in 1934. Meetings of the club are held weekly, the purpose being to promote better speaking ability among the members. Each meeting is presided over by a toastmaster who presents two speakers, members of the club. The other members criticize the speeches made.

Membership is limited to upper class students of the College of Law and is kept at a constant number of fifteen. Professor Phelps, of the Law department, is honorary faculty member.

Head toastmasters for the club are chosen quarterly. Vance Paisley was toastmaster for fall quarter and David Steiner for winter quarter.

# ONESA

Onesa the Engineers' Speaking Club was founded in 1935 for the purpose of bettering the speaking ability of the members. Discussions are unique for a club of this sort by the omission of any technical subjects.

Membership is limited to fifteen upperclassmen chosen from the engineering college. Each Thursday evening, following a dinner, a temporary toastmaster introduces two speakers who have been previously notified and one man who is to speak extemporaneously. The speeches are followed by a general discussion and criticism.

Don Karlskind and Charles Allegrone were each elected to the only office of the organization, that of chief toastmaster.

## CHEMIST'S CLUB

The Chemist's Club is one of the most active organizations on the campus. It includes in its eligibility for membership all students interested in chemistry from the colleges of liberal arts, pharmacy, and engineering, thus reaching the maximum number of students. Meetings are held twice a month.

The purpose of the club is to create and foster a better understanding of the chemical sciences and to advance the interest of its members in the various fields of chemistry. Technical papers on industrial and pure chemistry as well as bibliographies of well known chemists were prepared by members and read and discussed at the meetings.

The outstanding activity of the winter quarter was the address given to the club by Dr. Henderson, a nationally known chemist of Ohio State University. An exhibit held in connection with the annual "High School Day" was the principal activity of the spring quarter.

Officers of the club were: Geza Banesky, president; Joseph Littler, vice-president; Mary McNeal, secretary-treasurer; Richard Tomlinson, reporter. Dr. Jesse R. Harrod and Dr. Lewis E. Miller were the faculty advisers.

## BIOLOGY CLUB AND PHI LAMBDA PI

An organization new to the campus this year is the Biology Club. Organized under the auspices of Phi Lambda Pi, the honorary biological fraternity, this club is open to any student on the campus interested in any biological subject. Many Prominent men have addressed the bi-weekly meetings held conjointly with Phi Lambda Pi.

A marshmallow toast and a soup supper were the social affairs of the fall and winter quarters respectively. In the spring quarter the two clubs spent a week-end on the experiment farms at Wooster, Ohio.

Officers for this year: Salvatore Denaro, president; Charles Hely, vice-president; Lydia Imhoff, secretary-treasurer; Dean Huber and Professor Dobbins, faculty advisers.

Students honored by election to Phi Lambda Pi are: Lydia Imhoff, Norma Gray, Mary Lou Miller, John Knoop, and Ernest Thompson. Old members were: Geraldine Corbett, Richard Everhart, Walter Hileman, Bette Moesta, George Youngman, Stanley Fender, Paul Neiswander, Geza Baneska, and Fred Steiner.

# ASSOCIATION OF WOMEN STUDENTS

Organized in 1929 the aim of the Association of Women Students has been to encourage active cooperation and a spirit of unity and fellowship among the women of the university. Its officers are elected by the vote of the entire women student body and the officers act as a governing and legislative force and handle the disciplinary cases which may arise among the women.

Activities of the group include the Coed Formal Dinner, Freshman Week, the Alumnae Luncheon, the Coed Formal Dance, the Senior Breakfast and the annual spring elections. For the first time in its history a series of cultural programs under the name "Feminine Forum" was sponsored by the organization.

Officers for this year were: Lucile Weber, president; Alleen Morral, vice president; Helen Turner, secretary; Mary Lou Miller, treasurer; Miss Wilder, faculty adviser.

## LEGISLATIVE BOARD AND HOUSE COUNCIL

The Legislative Board and House Council are representative divisions of the Association of Women Students. The Legislative Board is composed of the officers of A. W. S., the presidents of Y. W. C. A., W. A. A., and Pan-Hellenic Council, and the representatives of the four classes. The house presidents and representatives of the town and scattered groups of women make up the House Council.

The vice-president of A. W. S. is in charge of the meetings of the House Council.

## Y. W. C. A. CABINET

### Y. W. C. A.

They've gone places this year! Delegates have gone to Baldwin-Wallace to attend the state Y. W. C. A. conference, to Cleveland for the Area District Conference, and to the regional convention at Lake Geneva, Wisconsin. And they've gone over their budget! Nearly seventy-five percent of the women of the university held active paid membership during the past year. The purpose of the club which is "to realize for each member a full and creative life" has been accomplished.

This year marked the thirtieth anniversary of the founding of the Y. W. on Ohio Northern's campus and a fitting celebration was held in its honor. An old-fashioned ice-cream social was held in the spring and the proceeds were applied to the Geneva fund. Other money-making schemes sponsored by the organization were the Christmas Bazaar and the Cooking School.

A new feature introduced this year was the Meet-'N-Eat held quarterly at which time committees met with their heads and advisers, comprised of faculty women.

The Cabinet of the Y. W. C. A. meets every Tuesday and formulates the activities of the entire society. Each cabinet member is the chairman of a committee comprised of other Y girls and functions in that capacity. Each cabinet member has a faculty adviser and Miss Elizabeth Lewis was this year chosen as the new head of the Y. W. C. A.

Included in the cabinet is a Big-Sister group which sponsors the Big-Sister and Big-Brother program for

the freshmen. Members are: Gertrude Richardson, Margaret Shambaugh, Eleanor Baum, and Isabel Motter.

Cabinet members are: Margaret Long, president; Nellie Cooper, vice-president; Mary Lois Sautter, secretary-treasurer; Ruth Coppersmith, devotions; Jeanette Lott, world fellowship; Helen Hardin, hostess; Alice Kauble, publicity; Mary Alice Altland, membership; Anne Opritza, program publicity; Anne Jo Fawcett, social; Mary Lou Miller, music.

## WOMEN'S DEBATE

Only three former members were on the debate team this year. They were: Helen Hardin, Helen Shirey, and Eleanor Baum.

Varsity debates were held this year with Bluffton, Kent State, Ohio University, Wittenberg, Capitol, Earlham, and Heidelberg. The subject debated was: Resolved that the several states should have uniform marriage and divorce laws.

The debate squad is a member of the Ohio Conference and participated in the tournament held at Capitol on March 6. There our affirmative team met Capitol, Wittenberg, and Earlham and our negative opposed Earlham, Ohio University, and Capitol.

The team was composed of: affirmative—Margery Ramge, Geraldine Disbrow, and Helen Hardin; negative—Dorothy Schuesselin, Helen Shirey, and Eleanor Baum; and alternate Margaret Shambaugh.

Seated: Saiter, Stafford, Canterbury, Patton, Binkley, Hablitzel, Schlick.

Standing: Schulte, Keel, Shulz, Williams, Scott, Reid, Littler, Mann, Goble, Adelstein, Cook, Garber, McAdams, Eley, Lutz, Derr.

## Y. M. C. A.

Varied and highly instructive programs have been arranged by the Y. M. C. A. during the last year. Cojoint meetings were held with the Y. W. C. A. at which the subject of World Peace was discussed. Through the efforts of the Y a religious speaker was brought to the campus during the spring quarter.

Great progress has been made financially this year through the candy sales. The proceeds were used to promote their religious programs and to repair the Y rooms.

Ludwell Binkley and Leroy Keel were the Geneva delegates.

Professor Patton is the new sponsor of the organization and officers during the past year were: John Canterbury, president; Wirt Stafford, vice-president; Edward Williams, secretary; Darrel Schulte, treasurer; Ludwell Binkley, program chairman.

## O. N. U. P. A.

One of the outstanding events of the year for the Ohio Northern University Pharmaceutical Association was the trip to Indianapolis as the guests of the Eli Lilly Drug Company. According to their yearly custom they also sponsored Open House for several days, during which time the laboratories and exhibits are explained to those interested.

This organization open to all students registered in the college of pharmacy has as its purpose to maintain an interest in pharmacy and to keep up on the latest developments and also to encourage constructive work in this field.

Officers for this past year were: Warren Messerly, president; Clayton Stevenson, vice-president; John Kobis, secretary-treasurer; Dean R. H. Raabe, the permanent president.

Dear Miss Topliff:

I'll be delighted to choose six of the pictures you sent me. Of course, it isn't really quite fair to choose beauty queens from photographs because coloring and expression have so much to do with it, but I'll do my best. I'll return the pictures with my choice marked on them in a couple of days.

I am particularly glad to have this honor because it happens that my mother was born in your town. Her name was Mary Estella Huff.

I wonder when you are going to press. Curiously enough, I was just about to undergo the torture of having a picture taken in the next week or so, since I haven't had one for some years, and if that's not too late for you I'll send you a print of the new one when I get it.

Sincerely yours,

is easy - but to write knowing that  
writing will appear in that publication  
is a different matter. Through this  
letter we've tried to show school  
life as lined at Ohio Northern. We  
hope our goal is accomplished and  
so now all we're left to say is  
Hail and Farewell!
